

Scholarship for a Smarter Saner World

Acknowledging the importance of Science, Technology, Engineering & Math (STEM) as well as the growing need for Behavioral and Mental Health Professionals, the Chris & Laura Bertelson Scholarship for a Smarter Saner World - S³W was created to assist graduates from Madison County, Iowa pursuing STEM and/or Behavioral Science degrees.

We firmly advocate that both science with practice and sound mental health are essential to the betterment of our country and our world.
